

May 2011

CURRICULUM VITAE

Michael Anthony Vasquez, MD, FACS, RVT

- OFFICE ADDRESS:** The Venous Institute of Buffalo
Vascular & General Surgery
415 Tremont St
North Tonawanda, NY 14120
(716) 690-2691
(716) 690-2695 Fax
www.VenousInstitute.com
MVasquezMD@VenousInstitute.com
- DATE AND PLACE OF BIRTH:** July 21, 1964 Buffalo, New York
- FAMILY:** Married with 4 children
- SECONDARY SCHOOL:** 1982 The Nichols School, Buffalo, New York
- UNIVERSITY:** 1986 Duke University, Durham, North Carolina, BA Religion

1984 University of Edinburgh, Scotland, summer studies, Comparative Medical Systems and Comparative Medical Ethics
- MEDICAL SCHOOL:** 1990 State University of New York at Buffalo
- RESIDENCY:** 1994 to 1995 General Surgery Chief Resident, State University of New York at Buffalo

1990 to 1994 General Surgery Resident, State University of New York at Buffalo
- PRIVATE PRACTICE:** 2001 to Present Vascular & General Surgery
Michael A. Vasquez, MD, PC
The Venous Institute of Buffalo Inc, Buffalo, New York

1995 to 2001 General & Vascular Surgery, Buffalo Medical Group, PC, Buffalo, New York
- LEADING FUNCTIONS, HONORS, AND AWARDS:**
October 2010 Society for Vascular Surgery, Health Policy Committee (addressing governmental relations for vascular surgery)

October 2010 Intersociety Venous Insurance Relations Committee (joint committee of American Venous Forum, American College Phlebology, and Society of Interventional Radiology)

May 2010 Voted for *Buffalo Business First* "Health Care 50," a special newspaper edition honoring extraordinary professionals in the medical field

January 2009 Vice President, Western New York Vascular Society

2009 Venous Disease Coalition, Steering Committee nomination

November 2008 Magazine feature interview “Outcomes Through Outreach” in *Buffalo Physician*, a publication of the University at Buffalo, State University of New York

November 2008 Research-in-Practice Grant Award from the American College of Phlebology for comparative study of the outcome measures Venous Clinical Severity Score (VCSS) and Specific Quality of Life and Outcome Response-Venous (SQOR-V)

May 2008 American Venous Forum, National Venous Screening Committee

January 2008 Secretary, Western New York Vascular Society

2007 to Present American Venous Forum, Outcomes Assessment Committee

July 2007 Venous Disease Coalition inaugural member, Science Committee, and Finance Committee (nationwide effort to raise the awareness of venous thromboembolism)

2005 to 2006 Elected by the Medical Society of the County of Erie (Buffalo, New York) as their Delegate to The Medical Society of the State of New York House of Delegates

2005 State University of New York at Buffalo Department of Surgery, Research Award (Third Place Oral Presentation)

2005 Kaleida Health (Buffalo, New York) Awards Portfolio

2005 “In the Eye of the Storm Award” for Outstanding Service to Medical Education Under Difficult Conditions, 6th Annual New Cardiovascular Horizons Conference, Miami, Florida

2005 President, Buffalo Surgical Society

2005 Medical Society of the County of Erie, Peer Review Committee

2004 Vice President, Buffalo Surgical Society

2004 Voted to receive “Health Care Heroes” Award for Innovations in Health Care, *Buffalo Business First*

2004 Medical Society of the County of Erie, Peer Review Committee

2004 “Young Physicians Section” Delegate, Medical Society of the County of Erie

2003 to Present Adjunct Clinical Faculty, Physician Assistant Program, Daemen College, Amherst, New York

2003 to Present Adjunct Clinical Faculty, Physician Assistant Program, D’Youville College, Buffalo, New York

2003 Secretary, Buffalo Surgical Society

2003 Voted one of the “Top Doctors in America” as featured in the *Guide to Top Doctors* (New York, NY: Castle Connolly Medical Ltd)

2003 to 2005 Site Director of Surgical Rotation, Department of Family Medicine, State University of New York at Buffalo at DeGraff Memorial Hospital, North Tonawanda, New York

2003 Kaleida Health nomination for “Distinguished Doctors” Award

2003 Preceptor of the Year, Daemen College Physician Assistant Program

2003 Medical Society of the County of Erie, Peer Review Committee

1996 to Present Clinical Assistant Professor, Department of Surgery, State University of New York at Buffalo

1995 Seigel House Staff Award for Excellence in Teaching, State University of New York at Buffalo School of Medicine and Biomedical Science

1990 to Present Duke Alumni Admissions Program (Duke University, Durham, North Carolina), Alumni Interviewer

1985 Alpha Phi Omega national service fraternity member

EDUCATIONAL LEADERSHIP:

May 2009 14th Annual Scott Tulman Lectureship, “Current Management of Iliofemoral DVT: A Changing Paradigm” by Anthony Comerota, MD, FACS, FRACS (Hon), FACC

September 2008 13th Annual Scott Tulman Lectureship, “Changing Perspectives in the Management of AAAs” by Robert B. Rutherford, MD, FACS, FRCS (Hon)

April 2008 “Sedona Days” National Vein Leadership Conference

February 2008 to Present Journal article submission reviewer for *Phlebology*

August 2007 to Present Journal article submission reviewer for *Annals of Vascular Surgery*

May 2007 12th Annual Scott Tulman Lectureship, “Adapt or Die” by Thomas J. Fogarty, MD

April 2007 “Sedona Days” National Vein Leadership Conference

May 2006 11th Annual Scott Tulman Lectureship, “Quality Surgical Solutions” by Hiram Polk, MD

May 2005 10th Annual Scott Tulman Lectureship, “Critical Limb Ischemia: Why It’s Time for an Aggressive Interventional, Surgical, and Multidisciplinary Approach” by David E. Allie, MD

May 2004 9th Annual Scott Tulman Lectureship, “The Latest in Endovascular Therapies” and “What It Takes to Put Together a Comprehensive Care Program” by Edward B. Diethrich, MD

May 2003 8th Annual Scott Tulman Lectureship, “Endovascular Treatments of Renal Artery Stenosis and Infrainguinal Peripheral Arterial Disease” by Craig M. Walker, MD

May 2002 7th Annual Scott Tulman Lectureship, “Carotid Artery Angioplasty and Stenting” by Timur P. Sarac, MD

April 2001 6th Annual Scott Tulman Lectureship, “Endovascular Repair of Abdominal Aortic Aneurysm” by David H. Deaton, MD

April 2000 5th Annual Scott Tulman Lectureship, "Subfascial Endoscopic Perforator Surgery"
by Roy L. Tawes, MD

CERTIFICATION:

December 2006 Recertification, American Board of Surgery

2004 Registered Vascular Technologist, American Registry of Diagnostic Medical Sonographers

2003 Surgical Laser Training: Laserscope, Physics and Safety Hands-on Training

2003 Performance of the Closure Procedure, VNUS for Medical Certification (VNUS Closure Procedure; VNUS Medical Technologies, San Jose, California)

October 1999 Fellow, American College of Surgeons

June 10, 1995 Diplomate, American Board of Surgery

July 1, 1991 Diplomate, National Board of Medical Examiners

1990 Provider, Advanced Cardiac Life Support

1990 Provider, Advanced Trauma Life Support

MEDICAL LICENSE:

April 4, 1995 New York State Medical License

MEDICAL SOCIETIES:

American College of Surgeons
American College of Phlebology
American Medical Association
American Registry of Diagnostic Medical Sonographers
American Venous Forum
Buffalo Surgical Society
Eastern Vascular Society
Medical Society of the County of Erie
Medical Society of the State of New York
New York State Society of Surgeons
Venous Disease Coalition
Western New York Vascular Society
International Society of Endovascular Specialists

HOSPITAL PRIVILEGES:

Kaleida Health (Buffalo, New York) Affiliated Hospitals DeGraff Memorial Hospital, North Tonawanda, New York

Catholic Health (Buffalo, New York) Affiliated Hospital Kenmore Mercy Hospital, Kenmore, New York

PRESENTATIONS AND INVITED LECTURES:

December 11, 2010 "Practical Application of the Revised Venous Clinical Severity Score." Duke University 3rd Annual Venous Disease Update and Symposium: What's New in Venous Disease 2010. Durham, North Carolina.

December 10, 2010 "Endovenous Ablation: Challenging Scenarios and Solutions." Duke University 3rd Annual Venous Disease Update and Symposium: What's New in Venous Disease 2010. Durham, North Carolina.

November 5, 2010 "Venous Clinical Severity Score-Revised: A Special Communication From the AVF." American College of Phlebology Symposium of American Venous Forum. Orlando, Florida.

October 4, 2010 "Endovenous Ablation: Difficult Scenarios and Solutions." American College of Surgeons 96th Annual Clinical Congress: Techniques in the Management of Venous Disease in the 21st Century. Washington, DC.

April 13, 2010 "Clinical and Surrogate Outcomes From the New Radiofrequency Catheter: An Experience of 700 Limbs." Charing Cross International Symposium: Vascular and Endovascular Controversies Update. London, England.

April 12, 2010 "Tumescent Anesthesia and Ultrasound Guidance Techniques." Office-Based Veins Course, Charing Cross International Symposium: Vascular and Endovascular Controversies Update. London, England.

February 12, 2010 Co-moderator of Scientific Session IV: Multi-Topic. American Venous Forum, Postgraduate Course. Amelia Island, Florida.

February 11, 2010 "Perforator Veins: Anatomy Guiding Therapy." American College of Phlebology Symposium of American Venous Forum. Amelia Island, Florida.

February 10, 2010 "Revision of the Venous Clinical Severity Score: Venous Outcomes Consensus Statement: A Special Communication of the American Venous Forum Ad Hoc Outcomes Working Group." American Venous Forum Postgraduate Course. Amelia Island, Florida.

January 14, 2010 "Venous Terminology: The Importance of Uniform Reporting Standards, Coaxing Order From Chaos." Western New York Vascular Society Lecture. Buffalo, New York.

December 12, 2009 "Adjunct Procedures Following Radiofrequency Ablation of the Saphenous Vein: Incidence and Timing." Duke University 2nd Annual Venous Disease Update and Symposium: What's New in Venous Disease 2009. Durham, North Carolina.

December 11, 2009 "Venous Terminology: The Importance of Uniform Reporting Standards, Coaxing Order From Chaos." Duke University 2nd Annual Venous Disease Update and Symposium: What's New in Venous Disease 2009. Durham, North Carolina.

November 6, 2009 "Relationship of SQOR-V and VCSS: A Midterm Report." American College of Phlebology Research in Practice Award. Palm Desert, California.

November 5, 2009 "Outcome Measures: Importance for Research? Which Measures?" American College of Phlebology Research in Phlebology Session. Palm Desert, California.

November 5, 2009 "Adjunctive Procedures Following Radiofrequency Ablation of the Saphenous Vein: Incidence and Timing." American College of Phlebology Abstract Session. Palm Desert, California.

September 16, 2009 "The Fascination of Circulation." Gunther von Hagens' *Body Worlds & The Story of the Heart*, Buffalo Museum of Science, Kaleida Health Talk Series. Buffalo, New York.

August 31, 2009 "Our Obligation to Follow Clinical Outcomes in Venous Disease." XVI World Meeting of the Union Internationale de Phlebologie. Monte Carlo, Principality of Monaco.

September 3, 2009 "Revision of the Venous Clinical Severity Score: Venous Outcomes Consensus Statement." Session of the American Venous Forum, XVI World Meeting of the Union Internationale de Phlebologie. Monte Carlo, Principality of Monaco.

September 1, 2009 "Treatment of Perforators With the VNUS RFS Catheters." XVI World Meeting of the Union Internationale de Phlebologie. Monte Carlo, Principality of Monaco.

June 10, 2009 "Measuring Outcomes: Venous Severity of Illness." Society of Vascular Surgery Postgraduate Course. Denver, Colorado.

April 7, 2009 "Debate: A Single Outcome Measure Is Not Sufficient: Against the Motion." Charing Cross International Symposium: Vascular and Endovascular Controversies Update. London, England.

February 11, 2009 "Adjunctive Procedures Following Radiofrequency Ablation of the Saphenous Vein: Incidence and Timing." American Venous Forum. Phoenix, Arizona.

February 9, 2009 "Adjunctive Procedures Following Radiofrequency Ablation of the Saphenous Vein: Incidence and Timing." It's All About Veins: Advances in Venous Therapy: International Congress XXII on Endovascular Interventions. Arizona Heart Institute, Phoenix, Arizona.

February 7, 2009 "Endovenous Radiofrequency Ablation." It's All About Veins: Advances in Venous Therapy: International Congress XXII on Endovascular Interventions. Arizona Heart Institute, Phoenix, Arizona.

February 7, 2009 "Quality of Life and Its Relevance in Superficial Vein Incompetence." It's All About Veins: Advances in Venous Therapy: International Congress XXII on Endovascular Interventions. Arizona Heart Institute, Phoenix, Arizona.

November 8, 2008 "Assessing Venous Disease: Severity-of-Illness Scores and Quality of Life." American College of Phlebology DVT Symposium. Marco Island, Florida.

October 11, 2008 "Following Outcomes with Venous Insufficiency and Venous Ulcers." Vascular Interventional Associates Peripheral Vascular Disease Management Symposium. Buffalo, New York.

September 10, 2008 Co-moderator of Global Venous Session "Venous Scoring, Endovenous Therapy & Practice." 9th Annual New Cardiovascular Horizons Convention. New Orleans, Louisiana.

June 24, 2008 "Utilizing the Venous Clinical Severity Score With New Technology: Early Results of US Trial." World Congress of the International Union of Angiology. Athens, Greece.

- March 4, 2008** "Following Outcomes in the Treatment of Venous Disease." Kenmore Mercy Hospital CME Series. Kenmore, New York.
- February 23, 2008** "Endovenous Ablation of the Saphenous Vein." American Venous Forum Endovenous Workshop. Charleston, South Carolina.
- February 20, 2008** "Severity-of-Illness Assessment Tools and Quality of Life." American Venous Forum Postgraduate Course. Charleston, South Carolina.
- February 9, 2008** "Venous Severity Score and Quality-of-Life Tools: Application to Vein Practice." It's All About Veins: Advances in Venous Therapy: International Congress XXI on Endovascular Interventions. Arizona Heart Institute, Phoenix, Arizona.
- February 9, 2008** "Endovenous Radiofrequency Closure and Intracompartmental Anesthesia." It's All About Veins: Advances in Venous Therapy: International Congress XXI on Endovascular Interventions. Arizona Heart Institute, Phoenix, Arizona.
- January 26, 2008** "Update on Treatment of Vein Problems." South Buffalo Mercy Hospital Grand Rounds. Buffalo, New York.
- January 24, 2008** "Current Modalities for Treatment of Venous Insufficiency." Buffalo Academy of Medicine. Buffalo, New York.
- December 13, 2007** "Carotid Intervention Update: Review of Current Randomized Controlled Trials." DeGraff Memorial Hospital Medical Staff Meeting. North Tonawanda, New York.
- November 14, 2007** "The Utility of the Venous Clinical Severity Score in Limbs Treated by RF Saphenous Vein Ablation." 34th Annual VEITH Symposium. New York, New York.
- September 5, 2007** Co-moderator of Global Endovenous Summit "How and Why to Set Up an Endovenous Practice: The Buffalo Experience." 8th Annual New Cardiovascular Horizons Convention. New Orleans, Louisiana.
- September 5, 2007** Co-moderator of Global Endovenous Summit "The Utility of Venous Clinical Severity Scoring." 8th Annual New Cardiovascular Horizons Convention. New Orleans, Louisiana.
- June 29, 2007** "Utilizing the Venous Clinical Severity Score With New RF Technology: Early Results of US Trial." European Venous Forum. Istanbul, Turkey.
- February 10, 2007** "Endovascular Treatment of Venous Insufficiency: Technique and Technology of RF Therapy." It's All About Veins: Advances in Venous Therapy: International Congress XX on Endovascular Interventions. Arizona Heart Institute, Phoenix, Arizona.
- February 10, 2007** "Utility of Venous Clinical Severity Scoring in Superficial Venous Disease: Experience of 682 RF-Treated Limbs." It's All About Veins: Advances in Venous Therapy: International Congress XX on Endovascular Interventions. Arizona Heart Institute, Phoenix, Arizona.
- February 10, 2007** "The Closure FAST Procedure" Video Case Presentation. It's All About Veins: Advances in Venous Therapy: International Congress XX on Endovascular Interventions. Arizona Heart Institute, Phoenix, Arizona.

November 4, 2006 "An Interventional Venous Practice: How to Start, Build and Maintain It." 7th Annual New Cardiovascular Horizons Convention. New Orleans, Louisiana.

November 4, 2006 "Endovenous Therapy for Varicose Veins, Spider Veins and CVI: How I Use RF Ablation." 7th Annual New Cardiovascular Horizons Conference. New Orleans, Louisiana.

September 28, 2006 "Venous Clinical Severity Scores and RF Saphenous Vein Ablation in 580 Limbs." Eastern Vascular Society. Washington, DC.

February 24, 2006 "Endovenous RF Ablation for Saphenous and Accessory Saphenous Vein Reflux: Experience of 580 Limbs" Poster Presentation. 18th Annual American Venous Forum Meeting. Miami, Florida.

February 16, 2006 "Venous Clinical Severity Scoring and Endovenous RF Ablation." Session XI: Towards the Future: New Technology and Devices: International Congress XIX on Endovascular Interventions. Arizona Heart Institute, Phoenix, Arizona.

October 29, 2005 "Endovascular Treatment for Varicose Veins and CVI: Tips and Tricks for RF Therapy." 6th Annual New Cardiovascular Horizons Conference. Miami, Florida.

October 21, 2005 "Minimally Invasive Techniques in Venous Disease." Western New York Vascular Symposium. Buffalo, New York.

April 16, 2005 "Minimally Invasive Treatments of Venous Insufficiency." Kaleida Health Family Medicine Grand Rounds CME Series. Buffalo, New York.

November 11, 2004 "Minimally Invasive Treatments of Venous Insufficiency." Association of Operating Room Nurses Presentation CME Series. Buffalo, New York.

October 6, 2004 "Results of Endovenous Saphenous Vein Ablation in 250 Patients" Abstract Presentation. Buffalo Surgical Society. Buffalo, New York.

January 13, 2004 "Minimally Invasive Treatments of Venous Insufficiency." Kenmore Mercy Hospital CME Series. Kenmore, New York.

November 26, 2003 "Endovenous Ablation of the Greater Saphenous Vein: The VNUS Closure Procedure." DeGraff Memorial Hospital CME Series. North Tonawanda, New York.

November 8, 2002 "Management of Venous Insufficiency: Conventional and Minimally Invasive Techniques." Western New York Vascular Society Update on Venous Disorders Conference. Buffalo, New York.

June 11, 2002 "The Importance of an Accredited Vascular Lab." Kenmore Mercy Hospital CME Series. Kenmore, New York.

June 4, 2002 "The Role of Antiplatelet Therapy in Peripheral Arterial Disease." Kenmore Mercy Hospital CME Series. Kenmore, New York.

March 24, 2001 "Antiplatelet Therapy in Cardiovascular Disease." Center for Less Invasive Cardiac and Robotic Heart Surgery Conference. Buffalo General Hospital, Buffalo, New York.

INVITED MEDIA PRESENTATIONS:

May 2010 *The Rusk Report* on "Chronic Venous Insufficiency, Outcome Measures and National Healthcare Reform." WKBW Radio. Buffalo, New York.

October 2008 *The Rusk Report* on "Awareness and Treatment of Venous Disease." WKBW Radio. Buffalo, New York.

January 2008 "Result of Leg Vein Treatments." Channel 2 News Health Report. Buffalo, New York.

January 2008 "Minor Leg Injuries and Deep Vein Clots." Channel 4 News Health Watch. Buffalo, New York.

April 2004 "The Closure Procedure for Varicose Veins." Channel 4 News Health Watch. Buffalo, New York.

February 2004 "Latest Treatment for Symptomatic Venous Insufficiency." Channel 2 News Health Report. Buffalo, New York.

February 2004 *The Rusk Report* on "Minimally Invasive Surgical Treatments." WKBW Radio. Buffalo, New York.

SPECIAL INTERESTS:

Minimally invasive surgical approaches for vascular and general surgery

Vascular ultrasound laboratory

Endovenous ablation of saphenous vein (VNUS Closure Procedure; VNUS Medical Technologies, San Jose, California)

Laser treatments of spider veins

Foam sclerotherapy and ultrasound guidance

High-quality surgical services through "best practice" initiatives

INDUSTRY CONSULTATION:

BTG PLC (<http://www.btgplc.com/>). **Principal Investigator** in an FDA-approved phase 3 clinical trial entitled "A Randomized, Blinded, Multicenter Study to Evaluate the Efficacy and Safety of Varisolve™ Polidocanol Endovenous Microfoam (PEM) 0.5% or 1% Compared to Agitated Saline and Compared to Varisolve™ PEM 0.125% for the Treatment of Saphenofemoral Junction (SFJ) Incompetence."
